## Foundation Care Walks for a Cure!

For the 2011 "Great Strides" season, Foundation Care was the T-shirt sponsor for the Cystic Fibrosis Foundation's Great Strides walks in five areas around the country: Gateway Chapter, Heart of America Chapter, Iowa Chapter, Maryland Chapter, and the Metropolitan Detroit Chapter. Hundreds of walkers each raised at least \$100 in order to receive the Great Strides T-shirt!

In addition, Foundation Care employees attended three of the Gateway Chapter's walks: Columbia, MO, St. Louis, MO, and St. Peters, MO. Our team showed their enthusiasm by raising over \$2,000! Additional pictures from the event are available on our Facebook page. Don't forget to "Like" us!

### "Tip of the Quarter" – Be Prepared!

The recent weather disasters caused by the large outbreaks of tornados and floods bring to light the need to be prepared, especially those with chronic illnesses such as cystic fibrosis. Our recent PharmD student compiled a basic guide and important information to use in case of an emergency. We recommend reviewing this guide at <http://blog.foundcare.com> and preparing for a potential natural weather phenomenon.

Remember: While we can't prevent disasters, we can become proactive and take precautions to minimize their impacts!
