The Connection

First Annual Health Fair A Success!

Nearly 200 people attended the First Annual Health Fair sponsored by Foundation Care Pharmacy on June 24, 2010. With 18 vendors, the event took place over four hours and included health screenings, information/education booths, demonstrations, and free food. It was a very special healthful event!

Screenings were provided by Foundation Care, Club Fitness, and Logan School of Chiropractic. Screenings included: cholesterol, glucose, BMI, body fat, blood pressure, and posture screening. Andrea's Gluten Free and Xocai Healthy Chocolate provided delicious samples of their popular products. And to top off the event, the Apothecary Shops provided free Jimmy Johns subs.

Also at the event, Foundation Care Pharmacy kicked off the flu season by offering walk-in retail customers the opportunity to book flu shot appointments beginning October 1st. In addition, the pharmacy started signing employers up for an onsite workplace flu clinic provided by Foundation Care immunization specialists. The goal is to keep workplaces healthy this flu season!

Start Following Foundation Care!

Early this month, Foundation Care Pharmacy launched pages on Facebook, Twitter, and LinkedIn social media sites. With these new sites, Foundation Care's patients, business partners, and friends will have the ability to easily access information and stay updated on important news, events, and special offers provided by the pharmacy.

"We are really excited about Foundation Care's social media launch," said Lindsay Wessels, Manager of Marketing and Regulatory at Foundation Care. "It will allow our pharmacy to connect with patients in real time and on a much more personal level. We hope to have several fans join us online to show their support and take advantage of this new relationship."
