Great Strides

Springtime is upon us which also means it is Great Strides season! Last year, the Cystic Fibrosis Foundation gathered more than 250,000 walkers nationwide and raised nearly \$40 million that goes towards CF research, care and education programs.

To view photos of Foundation Care at a 2013 local St. Louis Great Strides event, visit our [Facebook page](#).

New ReX Games

We've uploaded new games on our ["Family Fun"](#) site! New games are posted at the

Greetings,

Thanks again for allowing Foundation Care to be your pharmacy!

TOBI® Podhaler™ Now Available

Now available at Foundation Care, the new FDA-approved TOBI® Podhaler™ is a plastic, handheld inhaler device that contains a dry powder formulation of tobramycin, an antibiotic used to treat P. aeruginosa infections. The tobramycin powder is inhaled twice daily using the Podhaler device for 28 days.

Foundation Care is one of the specialty pharmacies chosen to provide patients with the TOBI Podhaler. Along with your TOBI Podhaler we can provide you with comprehensive services including refill reminders, assistance with insurance coverage, and potential savings on your copays.

In addition, if you order your TOBI Podhaler from Foundation Care, you may qualify to receive **CF Multivitamins** AND **Hypertonic Saline** **FREE** with each fill of your prescription. (This offer is not valid for prescriptions purchased under Medicaid, Medicare or similar federal or state programs or where prohibited by law).

Contact us today at 877-291-1122 to learn how to order this medication from Foundation Care.

For more information on the TOBI Podhaler, view the [Instructions for Use](#).

FedEx Delivery Manager

Foundation Care's Patient Care team works diligently to remind patients about their upcoming refills and also schedule deliveries based on patient requests. We even go so far as to re-route packages and schedule pickups when something unexpected happens and a patient is unavailable to receive the shipment.

We have also created an online account system called MyCARE where you can view your shipping information and track your package anywhere in the U.S.

beginning of every month and there's a game for every age group! To find the answers, visit the "Notes" section on our [Facebook page!](#)

And don't forget to submit photos of your DIY projects! We'd love to show off your crafting skills to our followers!

In addition to tracking your packages with the help from a Patient Care representative or your online [MyCARE](#) account you now have the option of utilizing FedEx's new program – Delivery Manager.

By signing up for FedEx Delivery Manager, you will be able to:

- request a new delivery location or time
- hold a package at a FedEx location
- sign for a package in advance
- provide specific delivery instructions

According to FedEx, fees may apply based on the service requested. Examples of charges:

- If you wish to **Specify a Date and Time**: \$5-10 per package
- If you wish to **Request your Delivery be sent to Another Address** \$5 to \$30

For more information on this service, click here:

2014 Calendar Contest - Submit your photos!

It's BACK by popular demand!

Charge your camera batteries, sharpen your colored pencils and submit to us your most creative piece of artwork that relates to a specific month in the calendar year.

The photos chosen will WIN a \$50 VISA® Gift Card and will be featured in Foundation Care's 2014 Calendar. The deadline for submissions is **September 20th!**

For a detailed list of rules and regulations, [click here.](#)

Have a wonderful day!
